

## REMARKS

The purpose of this amendment is to comply with Office Action of 13 November 2003 and amend the application so that it is in condition for allowance.

The original claims remain unmended. The above-cited Office Action requested Figure 7 to be provided, but instead the description of Figure 7 has been deleted from the specification for the reasons discussed below. Figure 7 was described in an early draft of the application, but was intended to be deleted since it is not needed for an enabling disclosure and since it was a photograph that can not be rendered into a drawing. For this reason it is deleted herewith.

In accordance with Section 714.01 of the M.P.E.P., the following information is presented in the event that a call may be deemed desirable by the Examiner: WILLIAM G. AUTON, A/C 781-377-3773.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'W. G. Auton', is positioned above the printed name.

WILLIAM G. AUTON
